

Week of Prayer

6 - 12 January 2025

Monday

Pray for the staff at BCUK – that our hearts will remain devoted to the Lord, that we will labour in humble dependence, and that all we do will bring glory to Christ’s name.

Tuesday

Pray for the 142 students about to begin studying Certificate Programme courses over 6 months – and their tutors and graders – that God would grow their knowledge and understanding.

Wednesday

Pray for the speakers preparing for the national conference in March – that they will speak faithfully, and help churches care well for those who have experienced trauma.

Thursday

Pray for our website, and those who look after it, that it will be a source of hope and help to many individuals and congregations in the UK and further afield.

Friday

Pray that our current interns will know the Lord’s sustaining hand and see real fruitfulness from their work. Pray for wisdom as new people consider applying to be interns this year.

Saturday

Pray with thanks for all those who support BCUK with their time, money and prayers. Pray that the Lord would raise up new partners in the gospel.

Sunday

Pray for each church – and network – that has a training event with a BCUK team member coming up. Pray they will be blessed, equipped and encouraged by the visit.

Any day

Pray that people in churches and communities will receive Christ-centred counsel and know the hope only he can bring.
