Glue the flaps together to make the stand

## INSTRUCTIONS

Cut out and glue on the words/pics you want to describe who you are in Christ

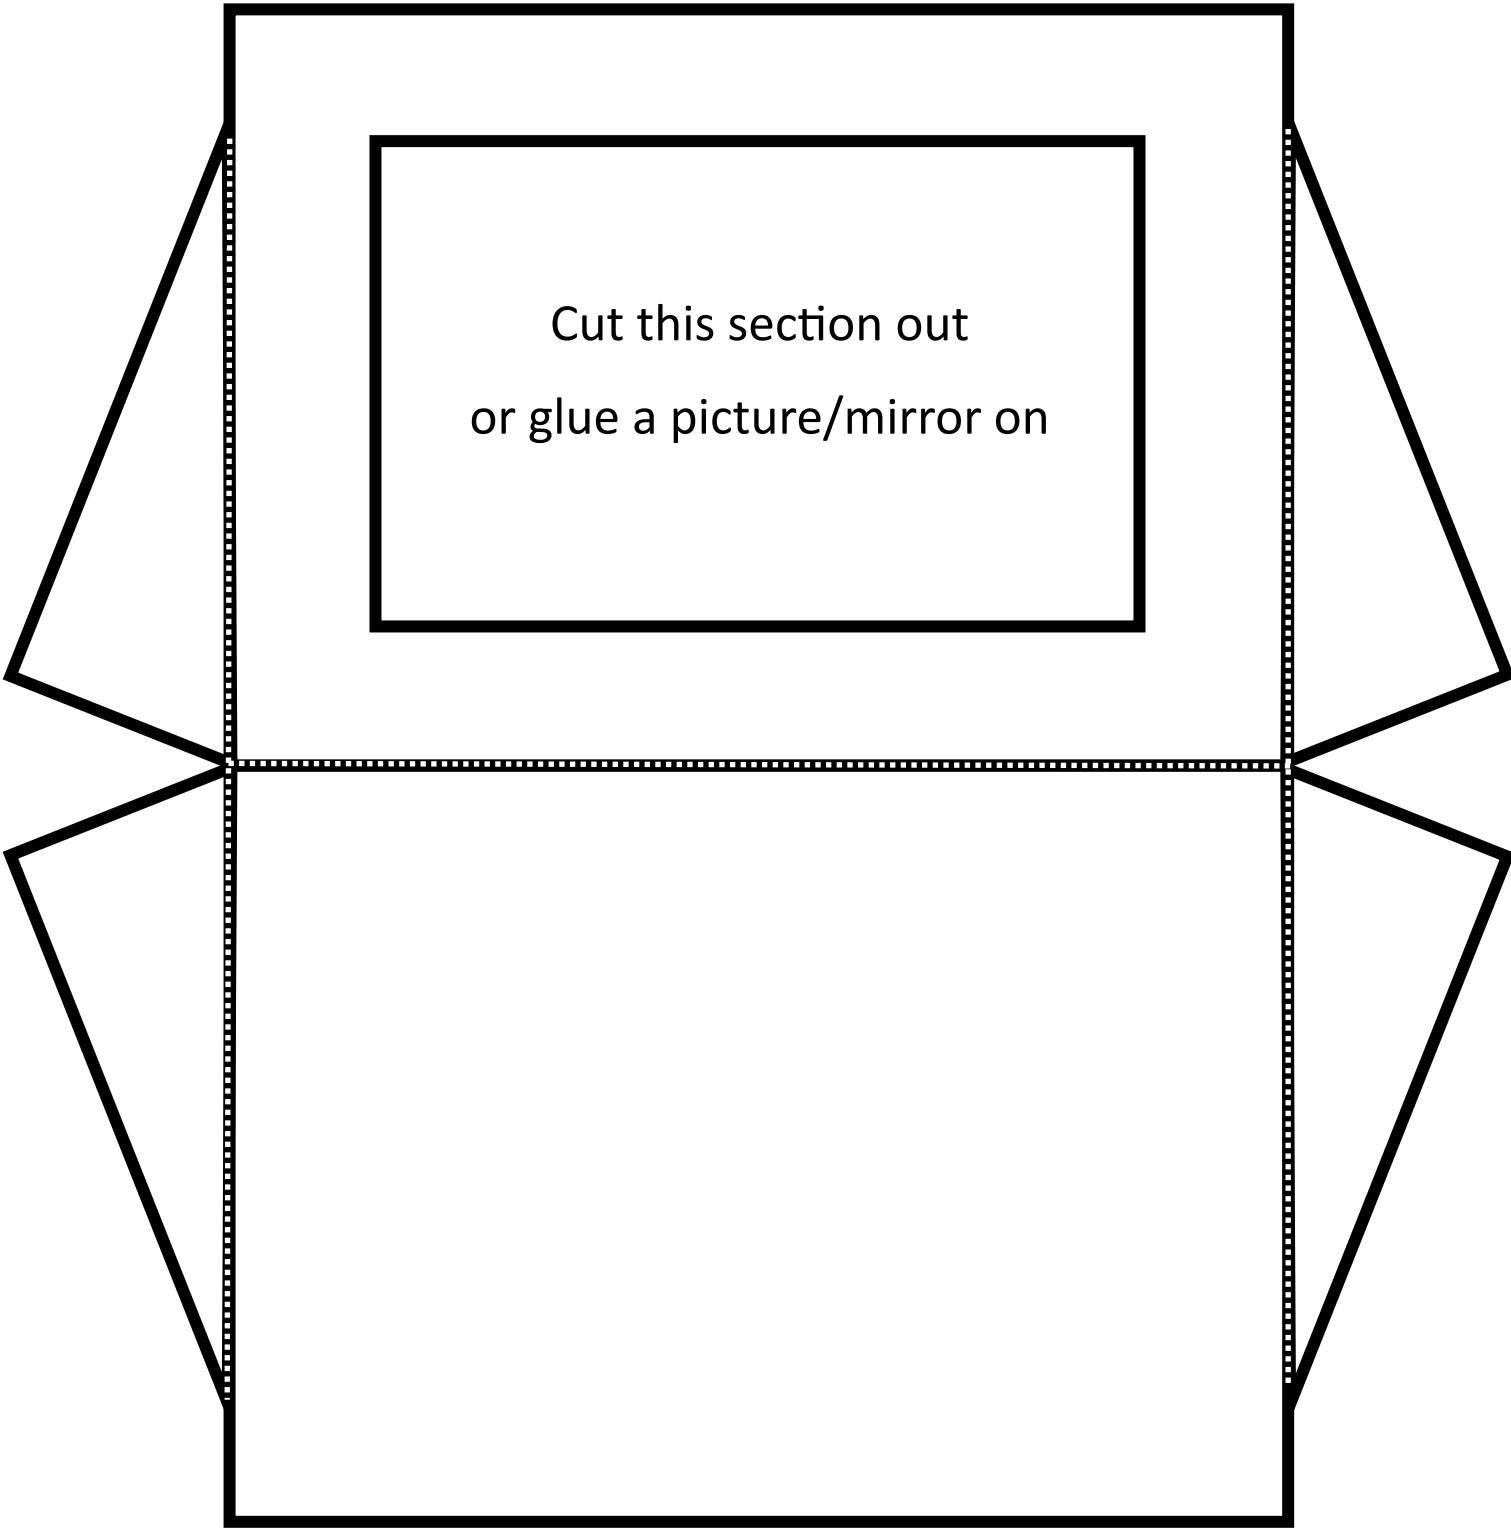

Choose a photo frame, cut it out, fold the dotted lines and glue the flaps together to make the two stands. Then use the words and pictures below to decorate your frame with truths from Ephesians 1 describing who we are if we trust in Jesus.

These pictures go with some of the words that describe who we are in Christ.

The two people show we are adopted as God's children. The world is because we were chosen before God created the world.

The dove shows we are sealed with the Holy Spirit. The money is because Jesus bought us through his blood on the cross.
